### Kaptify Mission Statement -

Kaptify is a unique Victorian Indigenous Business & Consultancy who has a 'community - culture - business' first philosophy. We offer a specialist range of professional services including creative arts and conservation, heritage and environmental management and tailored education.

### Kaptify Vision –

To create a diversity of business opportunities to support a growing and thriving locally produced  
Indigenous Business Network.

## **Introducing Kaptify -**

Kaptify is a Victorian Indigenous Business with operations that include a Professional Art Consultancy. Kaptify is based in the Boonwurrung Balug family group area in Moorooduc (Mornington) at Southern Buoy Studios. Kaptify operates throughout Victoria and in the Kulin Nation region areas of Wadawurrung, Boonwurrung, Wurundjeri, Taungwurrung and Dja Dja wurrung. Our team and business network includes highly respected art professionals and specialist creative craftspeople.

We work collaboratively with Local and State government departments and agencies, the education sector and community organisations. We also work with private clients.

The Kaptify Aboriginal Artist In Residency Program is a tailored curriculum model with selected topic options that explore;

- Aboriginal Art Concepts.
- Exploration of General Art theory and concepts – Surrealism, Abstract, Contemporary, Finished Art, Landscape
- Understanding of mediums and their application on different surfaces.
- Field based art school component (excursion) – visit Aboriginal archaeological site on coast (Mt Eliza) and Kaptify Art Studio to explore ideas for art piece.
- In class sessions to produce art piece.

## **Introducing Adam Magennis – Kaptify Professional Artist**

Adam is an Aboriginal artist and Boonwurrung man with a professional career in the arts reaching a 25year career milestone in 2020. Adams studio is based in Mornington at Southern Buoy Studios where he produces finished art pieces and runs his art consultancy business. Adam has developed an art curriculum model with learning content based on the culmination of his knowledge, expertise and broad skillset as a creative artist. Adam is also a qualified archaeologist and keen amateur geologist and ecologist which he integrates as a learning component within his curriculum.

Please feel free to contact Jenelle today about our locally based program on the Mornington Peninsula.
