Kaptify Services -

Conservation & Maintenance of Public Art Assets - Mural Conservation & Protection Service

Kaptify Mission Statement -

Kaptify is a unique Victorian Indigenous Business & Consultancy who has a 'community - culture - business' first philosophy. We offer a specialist range of professional services including creative arts and conservation, heritage and environmental management services and tailored education. We importantly support and advocate promoting the diversity of Victorian Indigenous Small Businesses, providing opportunity to employ and contract other Indigenous businesses in our collaborative business approach.

Kaptify Vision –

To create a diversity of business opportunities to support a growing and thriving locally produced Indigenous Business Network.

Introducing Kaptify -

Kaptify is a Professional Art Consultancy and Victorian Indigenous Business that is based in the Boonwurrung Balug family group area in Mornington at Southern Buoy Studios. Kaptify operates throughout Victoria and in the Kulin Nation region areas of Wadawurrung, Boonwurrung\Bunurong, Wurundjeri, Taungwurrung and Dja Dja wurrung. Our team and business network includes highly respected art professionals and specialist creative craftspeople.

We work collaboratively with Local and State government departments and agencies and community organisations. We also work with private clients.

Kaptify Professional Art Service Capabilities include;

- Public Art protection and conservation on permanent building and infrastructure assets
- Graffiti removal from Public Art assets (including surfaces without art)
- Conservation sealing of Public Art
- Restoration and curation repair of Public Art damage
- Public Mural Installation and Design in open and internal spaces
- Precleaning and undercoating of surfaces pre Public Art installation

Kaptify provides specific management care to public art and understands the importance that public art plays in creating vibrant community spaces and places. Kaptify loves Public Art, adopts an ownership and connection of Public Art we work with and wants to see Public Art protected. We provide a professional service that seeks to protect and conserve public art for perpetuity so that it can be appreciated by generations of people and community.

Introducing Adam Magennis – Professional Artist

Adam is a Professional Artist reaching a 25 year career milestone in 2020. Adam has been specifically undertaking public art projects over the past 20 years including art installations and murals across the eastern and south eastern suburbs of Melbourne. Adam has provided a conservation maintenance service of all his public art periodically over this time and works with the public service sector and private clients in conserving Public Art. Adam has built is knowledge and skills base in Public Art conservation over a 20 year period and has a passion for identifying new ideas in Public Art conservation, looking at sustainable management and nurturing local community ownership of Public Art.
